# Safety Instructions

## **Notice: Ensure you read and fully understand instructions before use**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product is intended for outdoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- To achieve best results, choose a place in maximum light.
- In order to avoid damages to the product, do not place under overhanging trees.
- Use the correct fixings as indicated.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Keep away from fire.
- Avoid placing in areas that are exposed to strong winds.
- Only use this product on stable, level ground.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com)

# Assembly Instructions

## Parts List

**Step 1)** Attach a connector (part A) to both sides of a pole (part 2).

**Step 2)** Attach 2x pole (part 1) to the connectors used in step 1 (see image to the right).

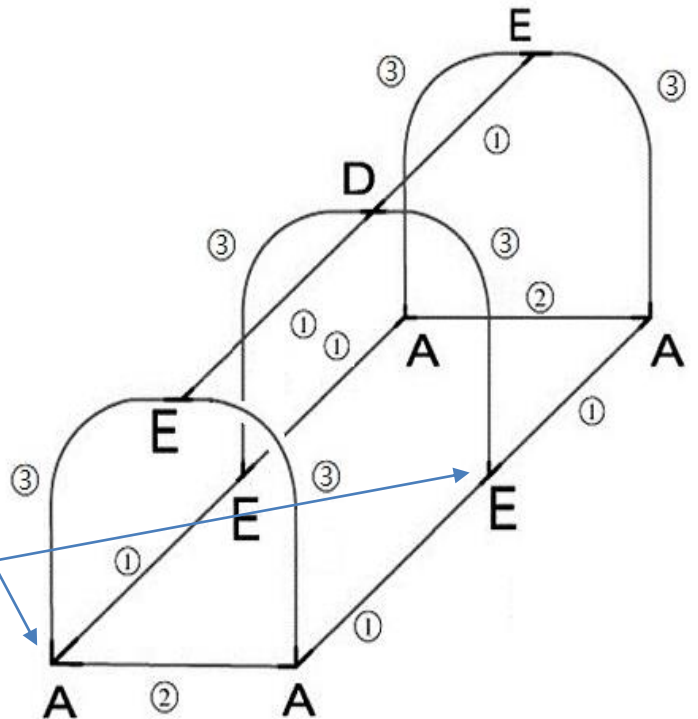

**Step 3)** Attach two (part 3) to the connector used in step 1 and use a connector (part E) to join them together.

**Step 4)** Repeat steps 1-3 again to create the opposite side.

**Step 5)** Use a connector (part E), and poles (part 1), to join the two pieces you have made together (see image).

**Step 6)** Attach 2 curved poles (part 3) to the central connector (part E) as done in previous steps.

**Step 7)** Use the remaining two poles (part 1) to piece the top of the greenhouse together.

## CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.
