Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- **This product is not a toy, and is only to be used for its designated purpose.**
- **Never carry out any alterations or modifications to this product.**
- **Before use, adjust the height of the support so that the ramp is in correct contact with the ground.**
- **Secure the ramp to the truck or trailer using a strap.**
- **Do not ride equipment up or down the ramp.**
- **Make sure not to pinch your hands and fingers when opening and closing the ramp.**
- **Never exceed the maximum load capacity of 200kg (400kg if used as a pair), or it may result in product failure or personal injury.**
- **Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.**
- **Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.**
- **Only use this product on stable, level and dry ground.**
- **If the product is damaged or has any defects, please contact cservice@oypla.com**
