Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- Only use with legs fully opened.
- Never exceed the maximum load capacity of 100kg (200kg if used as a pair), or it may result in product failure or personal injury.
- Ensure all fixings are in place and tightened before every use.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- Wear appropriate protective footwear, gloves, dust mask and eye protection at all times when using this product.
- If at any time during activity you feel faint, dizzy, experience pain, stop and consult your physician or doctor.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Only use this product on stable, level and dry ground.
- If the product is damaged or has any defects, please contact cservice@oypla.com
