Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
 - Unpacking of the product is to be completed by an adult.
 - This product is not a toy, and is only to be used for its designated purpose.
 - Do not carry out alterations or modifications to this product.
 - Children should be supervised at all times when using the product.
 - Clean only with a damp cloth. Do not use strong industrial cleaning substances.
 - Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
 - Keep fingers, loose clothing, and hair away when folding the product.
 - Pinch points can cause personal injury.
 - Only use this product on stable and level ground.
 - Keep away from fire.
 - If the product is damaged or has any defects, please contact cservice@oypla.com
 - Do not allow children and pets to get close whilst assembling the chair. Some parts are small and could be swallowed.
 - **Warning! The chair's maximum capacity is 110kg. Exceeding this may result in product failure and/or personal injury.**
-
