Operating Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- Do not carry out alterations or modifications to this product.
- Persons (including children) with reduced physical, sensory and mental capacities or lack of experience and knowledge do not intend this product for use, unless persons responsible for their safety have given them supervision or instruction concerning use of the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts List:

Please check you have all parts below before attempting to assemble this product.

If you are missing any of the below parts, please contact Oypla customer services:

cservice@oypla.com

1. Fasten the L-Shape parts onto the back of the mirror with screw bolts provided.
Make sure the curved hole is close to the bottom.
2. Connect the mounting bracket to the pole with the screw bolts provided. Adjust it to the required position and then tighten screws until the mounting bracket is firm on the pole.
3. Connect the L-Shape Parts to the hold hoops with the screw bolts provided.
Tighten all of the bolt screws after you have adjusted the mirror to the right position and angle.

Please retain a copy of all instructions for future consultation.
