

Surveyors Tape Measure

USER MANUAL Model No: 4554, 4555, 4556

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Do not carry out alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- Not suitable for use by children.
- Use the handle to retract and extend the tape.
- Fold the handle securely when not in use. Pinch points can cause personal injury.
- This product is for domestic use only.
- When using tape measure beware of sharp edges on claw and the needle point.
- If the product is damaged or has any defects, please contact cservice@oypla.com

NOTE: Product is not for trade use.

Please retain a copy of all instructions for future consultation.
