Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Do not carry out alterations or modifications to this product.
- Keep fingers, loose clothing, and hair away when folding the product.
- Do not discard any of the packaging until you have checked that you have all parts and fittings required.
- This product is intended for outdoor use only.
- Do not place product near sharp objects, try to keep away from any heat sources.
- Leaving the product exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- Clean only with a slightly damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com
