

Wall Dryer

USER MANUAL Model No: 4563

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Do not carry out alterations or modifications to this product.
- This product is intended for indoor and outdoor use.
- Do not lean or support any heavy objects on the product to avoid product damage.
- Leaving the product outside exposed to weather, especially direct sun, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions or covering it with a suitable cover.
- Ensure the product is fully secure before using it.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts list:

Please check you have all parts below before attempting to assemble this product.

If you are missing any of the parts below, please contact Oypla customer services: cservice@oypla.com

“Please be aware you will be referring to this parts list throughout the assembly process”

Part:	Quantity:
Wall Plugs	4
Screws	4

*Please note that a drill will be required to assemble this product to a wall.

1. To extend the wall dryer, pull the product out from both sides to get the product to the full level of extension.
2. Mark four holes onto the wall you want to assemble this product to, ensuring they align fully with the four holes on the wall dryer. Once you are confident the holes align with the product, proceed to carefully drill the marked holes into the wall, deep enough to fully secure a wall plug.
3. Proceed to attach the product to the wall using the wall plugs and screws provided.
