Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com.

Assembly Instructions

- Use the holes in the hose hanger to plan where you would like to assemble the hanger. Using a pencil, lightly mark the wall matching up to the two holes on the hanger.
- Proceed to drill two holes matching the pencil marks you have created during step 1. Ensure to use a drill bit that matches the size of the screws and wall plugs.
- Once holes have been created, insert wall plugs to ensure the wall has protection from the metal screws, before inserting screws, enough for the hose hanger to comfortably hang on.
- Hang the hanger onto the screws.

SCREWS AND WALL PLUGS NOT PROVIDED.

CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year, amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
