

Manicure Table

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- This product is intended for indoor use only.
- Before using the product, make sure all fastenings are tightly in place and that everything is in order, and checked periodically by an adult.
- Always make sure that the product is on stable ground when in use.
- Do not apply all your body weight onto the table.
- Be sure to lock the wheels when the manicure table is in use. This is to avoid the table rolling.
- Make sure the carry bag is zipped up fully when transporting the manicure table.
- Keep fingers, loose clothing, and hair away when folding the product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials as these will damage the product.
- If the product is damaged or has any defects, please contact cservice@oypla.com

Assembly Instructions

Parts List:

If you are missing any of the below parts please contact cservice@oypla.com

Please be aware that you will be referring to this parts list throughout the assembly process.

How to Assemble:

1. Unfold the legs of the manicure table and stand it up on flat, stable ground.
2. Remove the drawer from the table.
3. Align the holes in the table with the holes in the arm rest, ensuring that you are accurate within doing so.
4. Place the washer onto the screw and secure both into the manicure table and arm rest.
5. Once done, slot the drawer back into its original position.
