Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- Make sure to load the platform evenly, ensuring that the weight is balanced.
- Do not push the truck over rough and uneven ground, or up and down curbs. Use ramps where available.
- Do not transport loads that will impair your frontal vision, ensuring that the height of the load doesn't exceed the height of the handle.
- Ensure the load is stable before moving the truck.
- When transporting wide loads, ensure that there is a large enough space for the load to go through.
- When transporting heavy loads, make sure that the heaviest part of the load is directly connected to the platform of the truck and touching the frame.
- Leaving the product outside and exposed to weather, especially direct sunlight, rain and salt air, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering the product with a suitable cover.
- If the product is damaged or has any defects, please contact cservice@oypla.com.

Warnings

 The maximum weight capacity for this product is 30kg. Please do NOT exceed this as it may lead to product failure and/or personal injury.
