# Safety Information

## Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

---

- This product is not a toy, and is only to be used for its designated purpose.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- If at any time during activity you feel faint, dizzy or experience pain, stop and consult your physician or doctor.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Unpacking, installing and fixing the parts are to be completed by an adult.
- Do not carry out alterations or modifications to this product.
- Children should be supervised at all times when using the product.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances.
- Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- This product is not intended for match/competitive use. 'Dunking' or similar actions are not recommended for this product as this may result in product failure and/or personal injury.
- Leaving the product exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions.
- This product is not intended for use by persons (including children) with reduced physical, sensory and mental capacities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by persons responsible for their safety.
- Do not discard any of the packaging until you have checked that you have all of the parts and fitting required.
- Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
- Make sure that you fix this basketball hoop to a secure and strong wall that is out of the way of any electrical wires or other obstructions.
- If the product is damaged or has any defects, please contact [cservice@oypla.com](mailto:cservice@oypla.com).
- **Warning! This product contains small parts that could become a choking hazard. Keep children and pets away whilst assembling the product.**

# Assembly Instructions

Please refer to the below information to help assemble your Oypla product

If you require assistance with the assembly of your Oypla product, please contact our dedicated team at [cservice@oypla.com](mailto:cservice@oypla.com).

---

1. Mark the four points for the bolts to be inserted into the wall.  
**Ensure to check for hidden cables or pipes before drilling any holes.** The hole diameter should be approximately 9.5mm.

2. Once inserted with the hoop attached, the bolts should be tightened which will cause them to expand inside the holes and lock into place. Next, fit the net to the hoop by hanging it onto the metal hooks.

3. The hoop is now ready to be used. We recommend the occasional check to make sure that all four bolts are tightly in place.
