Fence Post Anchor

Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is not a toy, and is only to be used for its designated purpose.
- Never carry out any alterations or modifications to this product.
- Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Clean only with a damp cloth. Do not use abrasive cleaners or detergents.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Be careful of sharp ends/parts as this can cause serious personal injury. Always wear gloves and protective clothing
- If the product is damaged or has any defects, please contact cservice@oypla.com

Please note that the nut used to secure the fence post holder is a locking nut, once tightened it will not be able to be loosened due to the rubber seal.
