Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Read these instructions carefully and familiarise yourself with the procedure before assembling the unit. Keep these instructions for future use.
- Check that you have all the component parts following the list above and familiarise yourself with each part before proceeding.
- Make sure all fastenings are tightly in place before using this product. This should be checked periodically by an adult.
- This product is intended for indoor use only.
- This product is not a toy, and is only to be used for its designated purpose.
- This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings required.
- Use the correct fixings as indicated. Do not overtighten any fixings.
- Keep product away from fire.
- Clean only using a damp cloth. Do not use strong industrial cleaning substances, as these may damage the product.
- Before drilling into any wall or surface, ensure to check for pipes, cables and electricals using an appropriate scanner.
- If the product is damaged or has any defects, please contact cservice@oypla.com
