## Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Levelling Ramps are rated for 2.5 tonnes each so they can be used on any size vehicle particularly single or tandem axle Caravans, Camper trailers or any car.
- You do not have to have a ramp to each wheel. Tandems will lift on one wheel quite safely.
- When ramps are used wheels on both side of the vehicle chocks are recommended.
- Do not carry out alterations or modifications to this product.
- The ramp has 3 distinct levels which allow the vehicle's wheel to sit easily, steady and safely whilst sitting level.
- These ramps can be used on tandem axle vehicles as they can be put under either the front or rear wheel and the vehicle will be levelled.
- This product is not a toy, and is only to be used for its designated purpose.
- Clean only with a damp cloth. Do not use strong industrial cleaning substances or abrasive materials.
- If the product is damaged or defective, please contact [cservice@oypla.com](mailto:cservice@oypla.com)

## HAVE A QUESTION ABOUT YOUR PURCHASE?

Our dedicated customer services team are happy to help. Contact them via:

**Telephone:** 020 3600 22 55

## CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year, amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
