Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Ensure all fastenings and supports are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
- Do not discard any of the packaging until you have checked that you have all of the parts and fittings necessary.
- Use the correct fixings as indicated. Avoid over-tightening the feet into place.
- This product is intended for indoor use only.
- Only use this product on stable, level and dry ground.
- This product is not a toy, and is only to be used for its designated purpose.
- Keep fingers, loose clothing and hair away when folding the product.
- If the product is damaged or defective, please contact cservice@oypla.com

Warnings

 Pinch points can cause injury. Keep fingers, loose clothing, hair and jewellery away from potential pinch points.

 Do not exceed the maximum weight capacity of 15kg.

Assembly Instructions

- 1 The only assembly required is to attach the feet. Remove the foot stool from its packaging. Turn the stool upside down, before screwing the four wooden ball feet into the wooden frame.
