Safety Instructions

Notice: Ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- Ensure all nuts and bolts are tightened and secure before use.
- Leaving the product outside exposed to the weather, especially direct sun, rain and salt air, will speed up the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
- If the product is damaged or defective, please contact cservice@oypla.com
- This product is not a toy, and is only to be used for its intended purpose.
- Do not carry out alterations or modifications to this product.
- This product is intended for outdoor use only.
- Clean only with a damp cloth. Do not use industrial or abrasive cleaning substances, as these may damage the product.

CONSIDER THE ENVIRONMENT!

In the United Kingdom, approximately 5 billion corrugated boxes are used per year, amounting to around 83 per person! By recycling the cardboard box in which this product was packed, you contribute to the preservation and sustainability of the environment.

If you see a recycling logo on the packaging of your product, such as the below examples, that piece of packaging is recyclable. If there is not a recycling logo, please check with your local authorities before recycling.

PLEASE RETAIN A COPY OF THESE INSTRUCTIONS FOR FUTURE CONSULTATION
