Safety Information

Please ensure you read and fully understand instructions before use

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

- This product is intended for indoor use only, only use on a stable and level ground.
 - Do not carry out alterations or modifications to this product.
 - This product contains small parts that could be a choking hazard if swallowed. Keep these items away from children.
 - Do not discard any of the packaging until you have checked that you have all the parts and fittings required.
 - Clean only with a damp cloth. Do not use strong industrial cleaning substances.
 - Keep away from fire.
 - Do not overload the coat rack. Doing so may cause product failure and/or personal injury.
 - Leaving the product outside exposed to weather, especially direct sun and rain, will speed the weathering process. This can be slowed by removing the product from these conditions, or covering it with a suitable cover.
 - Make sure all fastenings are tightly in place and that everything is in order before using the product. This should be checked periodically by an adult.
 - Use the correct fixings as indicated. Do not tighten any of the nuts until the unit is completely assembled, then finish by tightening all nuts. All nuts must be tightened before use.
 - If the product is damaged or has any defects, please contact cservice@oypla.com.
